Dear Families and Friends,

Despite the rising waves of Covid, there have been many things to celebrate recently. The Residents enjoyed Mother's Day with a special tea party and manicures. Barbeque was served for the Memorial Day holiday, followed by some patriotic games. We've even had our dear Little Sister Edith recently celebrate her "103rd" birthday!

Unfortunately, testing of staff and Residents revealed 1 positive staff member and 1 positive Resident this week. Fortunately, both are asymptomatic. Because we are considered in an "outbreak status" we will resume testing all staff and Residents next week. We continue to stay cautious when dealing with all things Covid-related. We remain optimistic, but vigilant in our policies and procedures in protecting our Residents, Staff, Volunteers and Visitors.

When visiting the Home, we encourage an understanding that by entering Jeanne Jugan Residence, there is a risk of possibly being exposed to COVID-19. With this said, we ask everyone to follow the guidelines — most importantly the wearing of a mask, proper handwashing and 6-foot distancing.

Another bit of good news — Please join us in welcoming Susan, our new Development Director. We will be holding our 15th Annual Golf Outing Thursday, June 23rd at Deerfield Golf Course. Come out and meet Susan, golfing spots are still available. We look forward to hosting our supporters and volunteers!

Blessings,

Mother Mary Michael and the Little Sisters
